

**Partners in the Horn of Africa** is a non-denominational Canadian charity, registered in 2002. We work with both rural and urban communities in Ethiopia, focusing our efforts and investments in areas of unmet need.

Our projects respond to community requests, addressing a wide range of needs including education, child protection, basic infrastructure, water and sanitation, gender equality, food security, natural resource management, and sustainable livelihoods.

Our **monthly giving plan** allows you to spread your donation over the entire year & allows us to effectively plan our project payments.

If **annual giving** works best for you, please know that your support is equally appreciated.

**Contact us to discuss other giving options** (i.e. gifts in others' names, legacy giving, etc.). Ask us how donating **Securities In Kind** can give you a great tax advantage.

**Thank you for choosing to support our work.**

**We follow two basic principles:**

- ✓ We work with an Ethiopian partner on each project, usually a community or local organization. Our partner proposes the project and is required to contribute at least 15% of the total cost in cash, labour or materials.
- ✓ **100% of all donations to Partners in the Horn of Africa** goes directly to project costs. Administrative costs are covered by **Friends of the Horn of Africa**, a sister organization.
